Subject: RE: Application for certificate of compliance

Hi Rafael,

I just looked at the tracking number of my CD and it seems like there is an issue with the suite number. Did UPS contact you?

Please let me know,

Guillaume Thibodeau-Fortin, Ing./Eng.

Objet : RE: Application for certificate of compliance

Good morning

Thanks for contacting the US Environmental Protection Agency (EPA). I have received your request for certification. I am looking forward to see the remaining documentation (application). I will review your request(s) and contact you if additional information is needed. Otherwise, you should get a response from the EPA within 90 days. Please feel free to contact me if you have any questions in the meantime.

Rafael Sanchez, Ph.D.

Please make a note of the new inbox for wood heater certification requests:
WoodHeaterReports@epa.gov

If you have a wood heater question, please visit the USEPA Wood Heater Compliance Monitoring Program web site at <http://www2.epa.gov/compliance/wood-heater-compliance-monitoring-program>. On that web page you will find information about the EPA wood heater compliance program including the List of EPA Certified Wood Heaters.

Subject: Application for certificate of compliance
Importance: High

Hi,
Stove Builder International is requesting for a certificate of compliance for the Model line « 2.3 series ». The model tested is the Escape 1800. This model complies with NSPS 2020 requirements.

In attachment, you have the Non-CBI report and the summary test report. I will ship a CD with the CBI report by mail.

The Application form is at page 75 and the CoC is at page 6 of the .pdf document.

Please let me know if you need more information. Thank you and have a great day,

Guillaume Thibodeau-Fortin, Ing./Eng.
